Hi Vimal,

Thank you for forwarding to me.

I have a question for you or someone in your drinking water program. Adjacent to the Excelsior Property is an area (with a museum attraction the “thing”) designated “Dragoon Water Company Certificate of Convenience and Necessity issued by AZ Corporation Commission”. I want to find out/clarify with ADEQ what that is for. This is part of a Figure B-2, Well locations within ½ mile, from the UIC permit application.

Thanks, Nancy

Hi Nancy,

I forgot to copy you on the below email. I have received comments from Excelsior and we made some minor modifications. David Haag and I are going through it one more time and then we will be sending it to Excelsior again for one last look over before we intend to public notice.

I will copy you on the revised version.
